A comfortable armchair in transparent and coloured polycarbonate in the Louis XV style, it is the quintessence of baroque revisited to dazzle, excite and captivate. Louis Ghost is the most daring example in the world of injected polycarbonate in a single mould. Despite its evanescent and crystalline appearance, Louis Ghost is stable and durable, shock and weather resistant and can also be stacked six high. This article has great charm and considerable visual appeal and brings a touch of elegance and irony to any style of home or public area.

Louis Ghost chairs can be personalised in four standard themes and with other items upon the customer's specific request with minimum orders of 10 pieces.

LOUIS GHOST IS THE FIRST TRANSPARENT CHAIR IN THE WORLD MADE OF PLASTIC WHICH IS ALSO AVAILABLE IN A FIRE-RESISTANT VERSION.

Louis Ghost 10th Anniversary Special Edition: on the occasion of its tenth anniversary, Philippe Starck autographs the Kartell bestseller.
